

COVID-19 Equibreed UK Ltd

Safety Statement for Clients & Staff

At Equibreed we have a fantastic team of people, clients and of course horses and in order to protect them all we have plenty of protocols in place but now in order to protect everyone and combine our efforts with everyone else in the country we will be concentrating on the most essential of work, making the health and wellbeing of our staff and horses a priority and providing the best standard of care to all our clients horses.

We are still here, we have plenty of mares with due dates ranging across the course of the summer and we can provide emergency support, and all of our usual breeding services as per the guidelines set out by the RCVS. Rest assured the horses in our care will receive the usual top-class standard of care.

The following protocols are in place:

Social distancing guidelines of 10m for clients to us on visits

Social distancing guidelines for staff 2m

We will be constantly risk assessing, reviewing risk assessments for everyone's safety

Only have one person present to hold or assist if it is absolutely necessary, otherwise please stay 10m away (if we have to come to you)

Stay in your lorry or car, we will unload and attend to your horse (if you have to come to us)

Complete any paperwork digitally (we can help you with sign apps) or payments (over the phone/BACS)

We have a strict clean-down protocols and PPE for our staff

Please disinfect any parts of your yard we need access to or headcollars etc. before and after.

Clean-down protocols are very strict for all our staff on visits and in our clinic

Please respect our protocols to ensure the safety of you, your staff and horses, and our staff and team.

Please be aware our admin might be a bit slower – but we will return messages, calls and emails. Please also pay your invoices as soon as you can – every little helps!

If you have any questions or concerns, please do not hesitate to contact us.
