Semen available: Fresh, Frozen (for UK and EU export) and Sex sorted (filly) semen for ICSI
Service fee £2000 plus VAT

Dam: Claret
Sire: Night Opera

Night Opera was also bred by Ellerston and has been used extensively within their programme over the past five years, with his progeny consistently showing strong potential.

He is a full brother to Clark, who was exported to the UK at a young age and has since sired a number of promising young horses. Clark was later purchased by Pablo MacDonough, who has played him at high goal level in both the UK and Argentina. Clark has now returned to Argentina, where he continues both his playing and breeding career.

Clarion stands at stud and is managed by Equibreed UK. His offspring are winning numerous Best Playing Pony prizes across the globe- including those illustrated here (EOP Antiquity and EOP Dimple)

Ruler

Semen available: Fresh, Chilled and Frozen (for UK and Export)
Sex sorted Semen for ICSI

Service fee £1200 plus VAT

Sire: Ellerston Clarin

Dam: Centimetre

An increasingly sought-after stallion, combining the proven bloodlines of Centimetre and Clarin.

He is out of Centimetre, a top-performing mare played by Gonzalito Pieres, who was awarded *Best Playing Pony* in the prestigious Queen's Cup. Centimetre is a daughter of the renowned Norman Pentaquad, further strengthening this exceptional maternal line.

On the sire's side, he is by Ellerston Clarin, the stallion of Jim Gilmore, out of Claret and by Machitos Diaz. Clarin has consistently produced quality offspring, with strong performance records both in the UK and internationally. Together, these lines create a stallion with a powerful combination of performance, consistency, and proven high-goal genetics.

Ruler's full sister Furlong has won many pony prizes, and is now playing with Pablo MacDonough

Ruler stands at stud and is Owned by EquibreedUK.
