

Covid -19 Protocol for Equibreed UK Admissions, Discharges and Transport

1. Any appointments must be made in advance of travel (these will be recorded by Equibreed UK as part of their biosecurity measures)
2. Associated paperwork must be completed and sent electronically in advance, including passport information and completion of the COVID - 19 Equibreed UK Transport Form and Booking Form.
3. The vehicle used for transport must be disinfected before and after every visit including any handles, the ramp or other areas where stud staff may have had, or will have, contact.
4. Staff travelling in the horsebox must comply with Government advice on social distancing.
5. At the destination, the unloading and re-loading of the horse must be conducted by the staff at the destination with no contact with the travelling staff. Hygiene precautions must be followed at every stage of this loading process, using robust disinfection processes of the horsebox handles and any equipment, and hand washing.
6. Staff travelling in the horsebox should only exit the horsebox at the location they are visiting to use welfare facilities, using all sanitary precautions. There must be no direct contact with the staff on the site.
